

## **Athena's First Paracetamol + Tramadol APAP ODT Launch in Chile**

### **May 2017:**

We at ATHENA are proud to launch our 1<sup>st</sup> Paracetamol + Tramadol ODT product in Chile.

*'ATHENA announces the launch of Paracetamol + Tramadol ODT in Chile which comes after a year of our Secnidazole Sachet launch. With this Athena is consistently moving in the right direction, simultaneously expanding its mark globally. It increases our presence in Latin America and other developed markets'* declares Alexandre Williams, Managing director of Athena DDS.

Doloten® Oral Dispersible Tablet provides effective management of mild to moderate pain and excellent patient compliance; dispersing in less than 30 seconds on contact with the saliva and can be taken with or without water, thus facilitating administration and patient comfort.
